vs.
Tyranny Food Services et al. (SUI JURIS)

28 U.S.C. 1746 unsworn declaration

I (devoris antoine newson) standing in the capacity of
[public law / common law / land and soil jurisdiction]
derived from ancient Yahweh worship, as one of the
american "people" of the Republic, in which sovereign
power resides in and with the people, declare that
the foregoing is true and correct under the penalty
of perjury executed this 24th day of February 2023

witness: JAMES C PELFREY

Empowered with "Canon Law Trusts" inalienable Rights
organized for the common benefit of the "people" I assert
as the Record should Reflect, I by certified U.S. mail forwarded
7 summons to the U.S.D.C. administrative Clerk to be signed
and sealed in accordance with F.R.C.P. 34(d) (under Rule 4(a) this
is to be followed (forthwith) by issuance of a summons and
its delivery to an office for service. (Fortwith, adv. (14c) 1.
Immediately; without delay. 2. Directly; promptly; Black
Law's dict. 10 Edition.) Through experience I presumed the
clerk would not follow his/her ministerial duty according
to the more clearly established rules of law, so I in
accordance with F.R.C.P. 4(B) gave notice to the clerk to
sign and seal the 7 summons I presented to him/her
and issue them to me/plaintiff for service on the defendants,
yet the clerk again acted in direct contravention of his/her
ministerial duty twice concerning the original and amended
complaint, in which the courts lacked jurisdiction to act in
this capacity in which this has resulted in violation
of 18 U.S.C. 238, in order to prevent further acts of Tyranny
